### *How Can We Care For Our Common Home?*

Pope Francis in his recent encyclical, "Laudato Si", challenges every person on this planet to care for our common home. Join with other Christians in a reflective sharing and dialogue on the science and spirituality so wisely presented by Pope Francis on this urgent issue of our times. Reading the chapter before each of the 6 sessions is a must for an effective learning experience. Earth cries out to us. Do we care?
