The Initiation Experience: Beginnings

In partnership with the Diocese of Fall River (MA)

August 2-4, 2012

The Beginnings Institute is an intensive three-day institute that seeks to provide participants with the vision and dynamics of the *Rite of Christian Initiation of Adults*.

Participants at most institutes include:

- ▶ liturgists
- ▶ pastoral musicians
- ▶ catechists
- ▶ pastors & associates
- ▶ Catholic school principals & teachers
- ▶ parish catechumenate team & sponsors
- ▶ some are paid staff members; many are parish volunteers

Participants explore and share how they see the vision being implemented in their own communities. This institute is designed to provide a working knowledge of the flow of the initiation process and to challenge participants to explore the connection between good liturgy and good catechesis.

A downloadable brochure will be available at Forum's website www.naforum.org, with online registration activated soon after.
