Natural Family Planning Classes

Discover a new way to postpone or achieve pregnancy...

The art of Natural Family Planning is based on an awareness of a woman's fertility. It is medically safe, 99% effective, very low cost, often has a positive effect on the couple's marriage and is morally acceptable to all major religions.

Engaged and married couples of all ages are invited to learn the sympto-thermal method of Natural Family Planning with this three-part course. A complete set of materials is provided with the \$140.00 course fee (plus s&h). Registration for these classes is now online at ccli.org. Please register at least one week prior to class start date. If that is not possible, call the teaching couple.
